

genevalmag::Expr_function::compare_precedence

```
graph LR; A[genevalmag::Expr_function::compare_precedence] --> B[genevalmag::Expr_function::get_function]; A --> C[genevalmag::Function::get_prec];
```

The diagram consists of a central rectangular box on the left, shaded in light gray, with a black border. From the right side of this box, two blue arrows originate. The top arrow points diagonally upwards and to the right, ending at a white rectangular box with a black border. The bottom arrow points diagonally downwards and to the right, ending at another white rectangular box with a black border. All text is in a black, sans-serif font.
