

genevalmag::Parser\_AG::parse\_grammar

```
graph LR; A[genevalmag::Parser_AG::parse_grammar] --> B[genevalmag::set_attr_grammar]; A --> C[genevalmag::set_sem_check];
```

The diagram illustrates a central node, `genevalmag::Parser_AG::parse_grammar`, which is highlighted with a gray background. Two blue arrows originate from the right side of this central node, pointing to two separate white rectangular boxes. The top box contains the text `genevalmag::set_attr_grammar`, and the bottom box contains `genevalmag::set_sem_check`. All boxes have a black border.
